The requirements of the Dept^t must be met. The number required may be taken on the minimum pay which the men will accept. Generally speaking applicants pitch "pay expected" too high.

Most of the applicants are men of advanced age who cannot be permanently entertained. All admissions to a grade other than the lowest should be temporary and the men listed separately.

The above will only be a make shift. For permanent arrangements a scheme will have to be thought out for recruiting for the M.A. service in the State regularly as vacancies occur.

A regular system of scholarships tenable at various medical schools with agreement for the scholars to serve the State for a certain period after passing out should in my humble opinion be workable.

Sir,

In reference to filling up vacancies (temporary & permanent) of Hospital Assistants in our Service, applications were called for by means of a notification in three leading news-papers of Madras. The Principals of the Medical Schools at Poona & Ahamedabad had also been written to asking them to kindly intimate if any candidates were available to take up Hospital Assistants' places in our Service.

2. I herewith submit a statement showing the names & giving other particulars of the applicants. There are now 12 permanent & 3 temporary vacancies. You will see from the statement that the applicants want higher rates of pay and I am sure not one of them would be willing to accept the last or 3rd Class on Rs 25/- per mensem. Meanwhile our difficulties are daily on the increase. Plague is raging all over the Province & I am unable to meet the demands of the District Medical Officers for the services of Hospital Assistants for Plague duty. In the District Hospitals they are short handed, in some there is only one Hospital Assistant.

3. I propose, therefore, taking fully qualified men, viz,- those that have passed the L.M & S. examination and one candidate M. Deen Dyal Singh who has undergone the full course of the L.M & S. degree, as 1st Class Hospital Assistants and such of the others as are willing to accept the offer on Rs 40/- per mensem, as 2nd Class Hospital Assistants.

4. If they are unwilling to accept a 2nd Class, I beg permission to take them on as even 1st Class Hospital Assistants, i.e., irrespective of grades as the Government were pleased once before to order - vide Government Order No. 7747-8 Med 69-10-2 dated 21-3-1911.

5. Something has to be done to meet the present pinching emergency & unless a great deal of relaxation is shewn by the Government in the matter of adhering to the established procedure viz,- starting new comers in the last grade of Hospital Assistants, there will be untold difficulty in the management of the Department under the present crisis.

Dear Sir

+ 15-4-12 In reply to your Lr No: 757/Medical 53-11-12

the retirements recommended of three S.A.S.

I have to state that in the case of S.A.S

Abdul Azeez of Doddaballapur unfavourable

reports having been received from the Dist. C

he was recommended for retirement.

In the case of C. B. Varadingaiah, when

last year I gave him unasked a years

extension he seemed almost to resent

it. I said to me that what he wanted

was promotion & not extension
2nd

Service -

I considered it not right under the circumstances to force any more extension on him - A discontented officer & that when a favor had been shown to him was not I thought a very desirable one to have in the department -

P. V. Jahnavanam Pillay is a confirm invalid and it is not to the interest of the Medical Service that he should be retained any longer -

D. A. Shankaranarayana Iyer

taken on the temporary establishment is though 56 years old much stronger & very much better physique than ordinary Coolies & Hospital Assts -
